For: "Compact, Light Weight Methanol Fuel Gas Autothermal Reformer Assembly"

INFORMATION STATEMENT

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

This is an information statement for use in connection with the above-identified patent application. The Examiner is respectfully requested to make the specified reference of record in this case. The reference is:

European Patent Application No. EP 0 913 357 A1

A copy of the aforesaid reference is enclosed along with a Form PTO-1449.

The undersigned hereby certifies that:

☐ Each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the date of mailing this statement; or

☒ No item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application; or
to the knowledge of the undersigned, having made reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the date of mailing of this statement; or

☐ This information statement is accompanied by the fee of \$240.00 specified in § 1.17(p).

Respectfully submitted,
